Let us take the hassle out of your big day by having all your celebrations at one venue. Take advantage of our wedding license and have your ceremony in one of our own rooms.

Set in a beautiful, picturesque and relaxed setting, the Waterloo Suite is the ideal location for your wedding. Gardens full of character plus a panoramic balcony make for an impressive reception area while in the evening, the canopies of the floodlit trees create an unforgettable feature. The venue itself offers a truly idyllic room with a high-beamed ceiling to spend the evening eating and dancing.

Wedding catering requirements will feature heavily when deciding upon your choice of venue and our experienced, professional hospitality staff can guarantee top-quality food and service. Build your own menu with help from the events team or view a range of carefully-selected sample menus to help you decide.

Excellent service, top-quality cuisine and stunning grounds will provide countless photo opportunities and help make your wedding a truly special day, creating memories that will last forever.
